Student Council Activities 1952-1953

This year's Student Council under the skillful leadership of Bill Huffer has enjoyed a flourishing year. First on the agenda was an organizational meeting at which the commissioners discussed the functions and schedules of their commissions. After each homeroom chose a capable person to represent them at the meetings, a year's activities were begun. Nancy Wall and her Welfare Commission launched a record-breaking magazine drive which netted over $18,000. The school's finances were ably kept by Tom Ehni. Roger Power organized many new clubs to insure club participation to everyone interested. Bill Rees wielded the gavel at Student Court while Howard Levin brought him violators of school regulations. Those posters around school, both decorative and informative, were the result of the work Charlene Brown's Publicity Commission. DeVilbiss social affairs were graciously handled by Jeanne Valiquette. Bobbie Giles brought us knowledge and entertainment through her auditorium assemblies. Intra-mural sport programs were developed by Gary Mortemore. Thursdays found Donna Taylor busily selling savings stamps. Deserving seniors received awards from Barbara Roth and her commission. Phil Schaefer and Carole Olen edited top-rate publications. The record of all these events was efficiently kept by Pat Moulton.

Among the projects initiated this year were a new student handbook, DeVilbiss's participation in Sportsmanship Week, and the use of a point system to enable more students to take part in more activities. Also supported was the Area Student Council dance. To conclude our year, we celebrated DeVilbiss Week, which proved a memorable finale of two terms accomplishments.

FOOTBALL ELEVEN NEAR TOP

An able coaching staff, headed by Hilton Murphy, was faced with the task of welding a veteran line with a speedy backfield to form a smooth '52 version of the Tigers. This goal seemed accomplished when we won our opener from a strong CLEVELAND JOHN ADAMS by an extra point after having led all the way.

With the explosive quality possible in the T formation, we scored two touchdowns in less than a minute during the third quarter to top SCOTT.

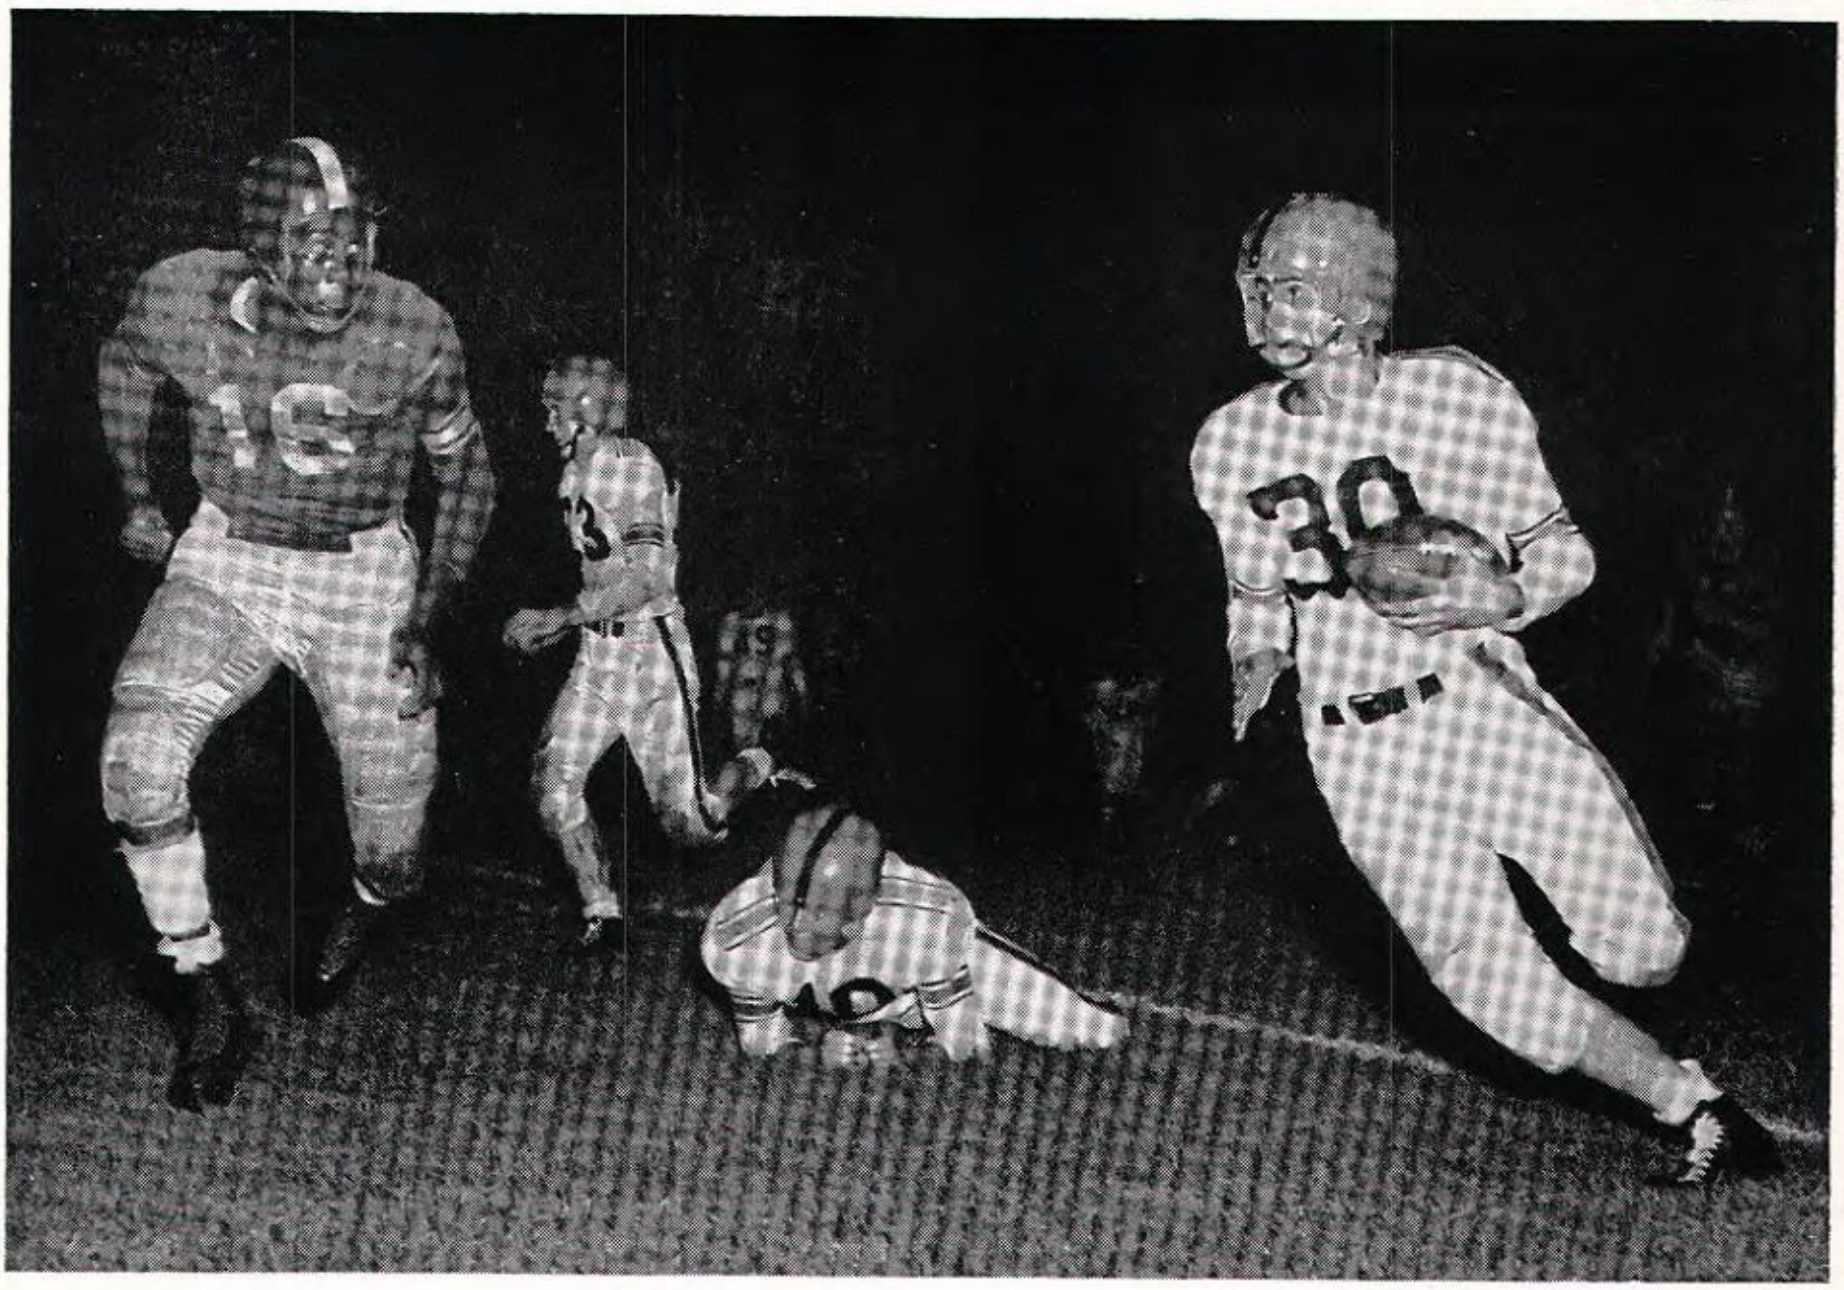
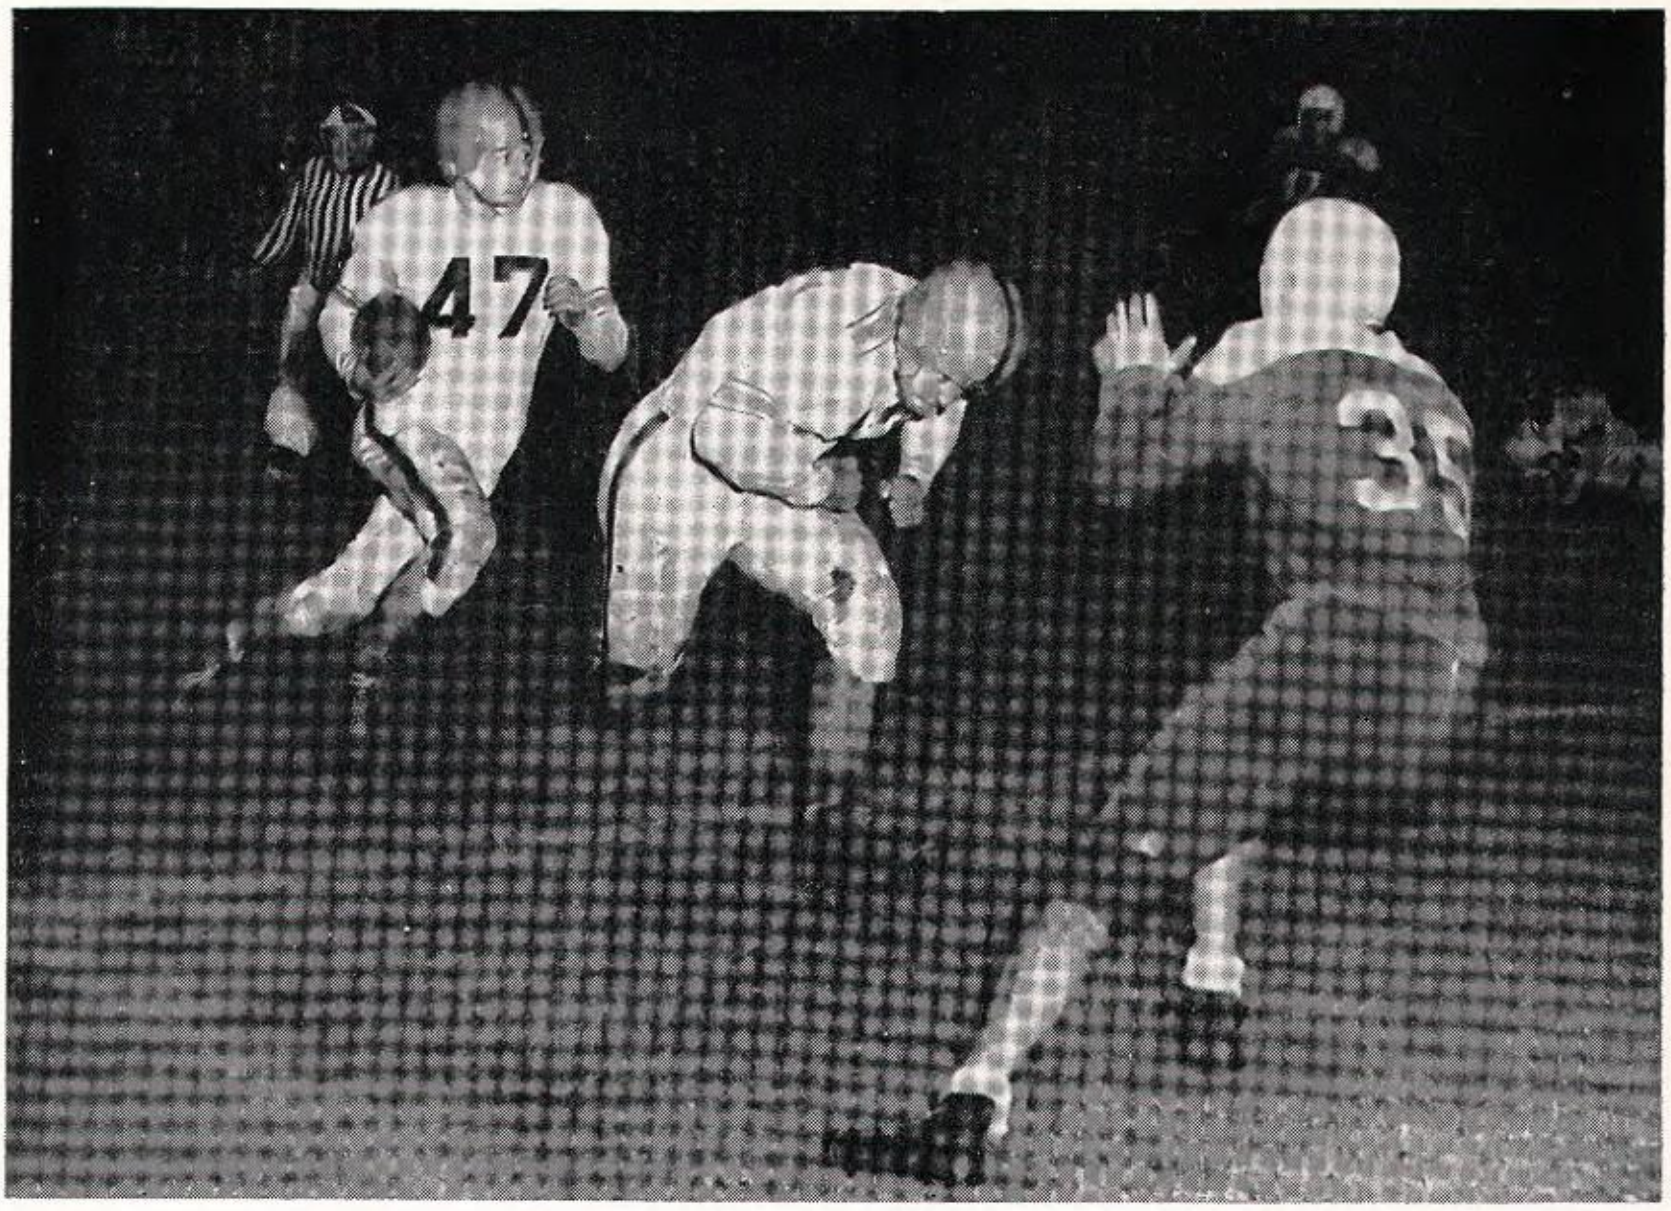
Bill Bernard, DeVilbiss back, heads for trouble in the form of John Adams' tackler.





Tiger guard Al Lantz, leading halfback Baxter Bell, gets ready to block Woodward defender.

A favored DeVilbiss eleven couldn't cope with CENTRAL and also its own fumbles. An alert Irish team made the most of our bobbles, coming from behind to hand us our first defeat of the season.

Unveiling a potent running attack, the Bengals outscored a scrappy MACOMBER outfit. A trio of speedy backs were more than a match for the Craftsmen's overhead game.

For the first time in the season, the Tigers showed an effective passing attack, plus an ambitious ground game, in our decisive league victory over WOODWARD.

Two goaline stands by our tough eleven broke the heart of WAITE. A strong running onslaught combined with a rock-ribbed defense made the Indians bite the dust.

Unable to cope with the Trojan's fancy ball handling, we received a setback from a well-coached FINDLAY team. Not only was the game lost, but Bill Bernard, our leading scorer, was lost for the season due to an injury.

Despite the fact they gained only one more first down, LAKEWOOD handed a visiting Bengal unit its worst defeat of the season. The Rangers capitalized on our miscues for nearly all of the scoring opportunities.

In spite of numerous injuries, we made a repeat victory over the WOODWARD Polar Bears. It was a bruising battle with both teams receiving many penalties.

Fumbles and pass interceptions handcuffed both teams as we banged out a tie with SCOTT. This game saw DeVilbiss stop the Bulldog offense and come from behind to knot the score.

A rough Cowboy defense in the annual Thanksgiving Day Classic and a twelve-year jinx put LIBBEY in the driver's seat once again. For the first time this season, our running offense was stopped as we were forced into an aerial display. The city champion, LIBBEY Cowboys, looked the part as they downed us in the season's finale.

Thinclads Runners-up in City

The track team's '52 season was certainly exciting. Under the excellent coaching of Norm Pollman, the Tigers, led by co-captains Ron Byram and Tom O'Neal, raced to an easy victory over WHITMER. The SCOTT meet was the second victory for the team. This contest provided our boys with some worthwhile competition.

The annual DeVilbiss Night Relays was the first loss suffered by the trackmen. MANSFIELD took the top honors in this event while DEVILBISS fell behind to fourth.

Following the Relays we were host the next week to WAITE, when our team copped another victory. We had no trouble in pushing over WOODWARD for our Bengals rated high in every event.

At the district meet, LIMA CENTRAL placed first; LIBBEY, second; DEVILBISS took third. Larry Boesel, our only first in the district, was one-hundred-yard-dash champion.

Our final competition was with LIBBEY to determine the city championship. The power and strength of the Cowboys proved to be too much for the Tigers. Thus, the '52 season ended with LIBBEY, city champions, and DEVILBISS, runners-up.

BASEBALL TEAM WINS TEN, LOSES THREE

The DeVilbiss baseball team of 1952 continued its winning ways under the tutoring of Coach Norman Kies. Co-captains Jim Felkey and Ron Mason led the Tigers to a successful season of ten wins and three losses. We dropped three close contests to WAITE, CENTRAL and WOODWARD. Double victories were racked up over OTTAWA HILLS, SCOTT, and LIBBEY, along with single wins over MACOMBER, WAITE, CLAY, and OLNEY.

Individual batting starts with Milt Pontius, who batted .416; Ed Osnowitz, who drove in eighteen runs; Ron Mason, who banged out sixteen hits. Chuck McDole was the workhorse of the pitching staff with four wins and two losses to his credit. The team's batting average was an excellent .256.

This season's fine record carried on the DeVilbiss tradition of dominance in spring sports.

Pollman Retires From Athletics

Mr. Norman Pollman attended Scott High School where, as a member of the track team, he was twice state hurdle champion. At Ohio State University, he was the third highest point man. His first coaching job was at Delta High School. For the next seven years Mr. Pollman was track and lightweight football coach at Libbey. As soon as DeVilbiss opened in 1931, Norm moved in as athletic director and track coach. During the war he filled gaps in the coaching staff as lightweight football, lightweight basketball, and varsity basketball coach. He served one year as president of the Ohio High School and College Track Coaches Association. For the past fifteen years, Mr. Pollman has been president of the Toledo High School Athletic Directors.

This season marked the finale of a twenty-one year reign of Norm as athletic director and track coach. During this period the Pollman-coached teams won six night relays, eleven city, ten district, and one state championship. In the '46 season Mr. Pollman's team won a virtual grand slam in track. That year the thinclads won the DeVilbiss Night Relays, the Ohio Wesleyan and Miami Relays, the City District, and State championships. His team was invincible during a ten-year era from 1937 to 1947, winning sixty-nine consecutive dual meets.

DeVilbiss now salutes his amazing record and wishes Mr. Norman Pollman the best of luck in the future and happiness in his new duties at DeVilbiss.

Kies Drops Freshman Basketball

Coach Norman Kies bowed out of the picture as freshman basketball coach at the end of the 1951 season. He has been a member of the coaching staff in football, basketball, and baseball since the school opened.

His record shows much versatility and talent. In the year 1929 he graduated from Scott High School where he was a nine-letter man. Later that year he joined the Toledo Mud Hens Basball Club when it was managed by Casey Stengle. He was sold to the New York Yankees for delivery in 1932. Under the Yankees he played with Jersey City in the International League with such famous teammates as Dixie Walker and George Selkirk. From 1932 to 1937 he played with Newark, New Jersey. During the 1933 to 1935 seasons he went south with the Yankees for spring training along with Babe Ruth and many others. In 1938 he played with Montreal in the International League. After a ten-year professional career he retired voluntarily in 1940. For six years he was assistant basketball coach at Toledo University.

Mr. Kies is noted for officiating at big-ten basketball games.

In 1945 he returned to DeVilbiss after twenty-eight months in the armed forces. As coach of baseball, his '48 team won the district and regional championships.

We all hope he will remain at DeVilbiss for years to come, enabling DeVilbiss to benefit from his experience.

GIRLS' SPORTS AND G. A. S.

The girls' athletic program is one filled with much variety. A girl may obtain her physical education through a network of many activities.

The required gym program includes dancing, hockey, baseball, badminton, basketball, and volleyball. Seniors enjoy their choice of gym activities taken from any of the following electives: fencing at the YWCA on Mondays; bowling at the Colony on Tuesdays; horseback riding at Howard's Stables on Wednesdays; and swimming or tennis at the YWCA on Thursdays.

G.A.S. — the largest organization in DeVilbiss — has enjoyed a busy and interesting year. Over two hundred girls under the leadership of the officers carried out a full program. Mrs. Terhell, the chief adviser, and Miss Ruch and Miss LaVonne Smith, new advisers, gave cheerfully of their time to help with this program.

The first G.A.S. event was a Hobo Hunt and roast at Ottawa Park staged for the freshmen by the older members. November 4th found them enjoying the Mermaids' Madness, a splash party and pot luck, held in the new pool and recreation room of the Y.W.C.A. In February they sponsored the Modern Dance group from Bennington College who gave a demonstration to all girls in the school. They also gave an Orphans' Party for the children of Miami Children's Home. Moms' Night, their project for March, was a big success. On alternate years they entertain the mothers and fathers here at school. All the girls rate this special event high on the year's schedule. In April, they organized a Play Day and invited girls from all other city high schools for a day of games and fun to promote sportsmanship among the girls of various schools.

Every G.A.S. member has an opportunity to earn awards through a carefully planned point system. The following awards may be earned: numerals, letter "D," first and second chevron, silver locket, and a gold locket. Points are given for attendance, service, and leading during or after school. These awards are given at the annual May Banquet.

Every year the four classes hold a basketball tournament. This year the proceeds went into a fund for a memorial to Beverly Baz, one of G.A.S.'s former members whose life was claimed by polio.

Every girl enjoys participating in the physical education program and G.A.S. DAYS are long remembered by DeVilbiss graduates.

THE INTER-CLUB COUNCIL

Under the leadership of President Sam Magee, the Inter-Club Council upheld its function of keeping all clubs and their activities in close contact with one another. Assisting Sam were Jim Rose, Vice-President; Patt Tanber, Secretary-Treasurer. These officers worked along with Roger Power, Commissioner of Organizations; and with Mr. Robert Rettig, Director of Activities, the adviser.

Council members, consisting of a representative from each chartered club, made the various projects a success. One of these was that of the traditional Christmas decorations. This year the Little Brown Jug was awarded to the combined efforts of the Junior and Senior Fraulines. On March 20, the clubs joined forces to put over their dance—"The Porch Swing." We also sponsored Club Day of DeVilbiss Week and the annual Inter-Club Council banquet.

A new undertaking for the Council was the meeting with the clubs' teacher-advisers early in the year to give assistance in club organization.

The I.C.C. was happy to supervise the club work of the thirty-six chartered clubs.

It has been great this year in D.H.S. You are a terrific guy but you ought to learn how to drive. Am looking forward to Fla.

The Publications Staffs at New York

We, the 1953 POT O' GOLD staff, have taken you through school life which this year we have chosen to parallel the scenic and historic Maumee River.

You came from the several grade schools which feed into DeVilbiss just as the St. Mary's, the St. Joseph Rivers, and other tributaries feed into the Maumee. From there your journey in your freshman year took you past the slow moving and early stages of the Maumee into the breathtaking beauty of the islands and bluffs as you faced the disappointments and pleasures of your sophomore year.

Coming to a good fishing spot you stopped for a little recreation which represented your extra-curricular activities.

You found that as the rapids became more serious you had to be aided by the locks of the old Miami and Erie Canal just as you were aided each day by the faculty who guided you around your obstacles and set the course for your learning.

Passing the more tranquil sections of the river, you recalled the leisure time you spent in the many club parties and meetings.

Within the City of Toledo, you saw the industry and work which characterized your athletic teams. As you entered Maumee Bay you realized that your experiences and responsibilities were becoming broader in your junior year. Your class produced a play, held a dance, and prepared you to participate in all the events of your senior year.

Finally, came the greatest experience of all. You entered Lake Erie and saw lying behind your senior year the opportunities which have been made possible by your background at D.H.S. Now you are ready to receive your POT O' GOLD. May you enjoy reading the book as much as we have enjoyed presenting you with this record of your years here. Good luck, success, and happiness in the years to come. May this twenty-first edition help you to enjoy them.

Dear Stewart –

I hope I haven't made myself your arch-enemy thru our sessions of chatter in algebra. I think we hit upon some food for thought in what we've said. It's the end of the Villains for me, but there are a few people I want to keep watch on. You are one.

Good luck in all you do, & keep your thinking clear, and keep going.
